Well, after two consecutive years winning this event, the streak has come to an end. Still, in 4 years of attendance, I've never finished lower than 2nd place, so my consistency is still decent.

Also, I had the fastest lap of the day!

This year was still super fun, maybe even more fun, because I got to fight my way to the finish instead of just trying to run clean and fast laps at the front. I qualified in 3rd, was in 2nd by the 3rd corner, took a shot at 1st but got blocked, and then dropped as far as 5th in the next few laps due to getting the short end of the stick on a few bump-and-run incidents.

Way FUN!
