

# VSCCA and VRG Pocono Spring Thaw Test and Tune April 18, 2026 Participant Packet

Last revised: April 13, 2026

Welcome to the joint test and tune event for the VSCCA and VRG at Pocono Raceway!

The highlighted loop is our track for the day.

For those who may not be familiar with the facility, a nicely illustrated facility map is available from the Pocono Raceway website here:

## FUEL

- The track has 98 and 100 octane **UN**-leaded.
- If you need a higher octane or leaded fuel you must bring your own.

## TECH

- Located in the garage
- Friday 5:00 PM until roughly 7:00 PM
- Saturday starting at 7:00 AM

## DIRECTIONS

- Navigate to 1207 Long Pond Rd, Long Pond, PA 18334, which should get you to Gate #1 at the northern point of the track.
- Proceed on Earnhardt Road, under the bridge and to where it ends at the garages where you'll find tech and our garages.

## REGISTRATION

- Starting at 7:00 AM at the garages.
- Wristband will be issued at registration. No access to the track without a wristband.

## CREW AND SPECTATORS

- We are not limiting crew or friends or family who wish to spectate.
- Everyone must sign a waiver and wear a wristband.

## FRIDAY NIGHT

- Cars can be parked overnight in paddocks and garages with a guard that watches over all your stuff.
- No overnight camping in paddocks.
- Overnight RV parking at \$60 a night with full hook ups and camping available for \$45.

## CAFETERIA

- Open 8:00 AM to 6:00 PM on Saturday for breakfast and lunch. Menu attached to this email.

## ENVIRONMENT

- Historically, sunny or otherwise, Pocono is my first sunburn of the year. Bring sunblock. I will be wearing my hat too.

# Schedule
